Let's Your Child Grow With Us...

Chairman's Message

B. L. Sheoran
Chairman

Education forms the basic fabric of one's personality that shapes one into complete human being with a purpose. Our vision of true education is to ensure holistic development of students—mental, physical, emotional and spiritual. A spiritual undercurrent flows in all educational processes to help the students grow up into adults, equipped with value based deeply rooted in the country's rich cultural heritage and traditions. Education must have a sense of direction and an aim to achieve some useful ends.

Education is the key to create a society that is dynamic, productive and provides equal and fair opportunities for growth to all. Education unlocks the treasures and talents that lie within us and equips the society with indispensable human resource, essential for its advancement. I assure you that at HPS, your child will get a wide awareness towards the universe. At all, it is our endeavor to develop our students into happy, healthy, responsible, proud contributing citizens of our great nation with global outlook.

With Sincere Regards

From the Desk of Principal

Mr. P. K. Gupta
Principal

It gives me extreme happiness and pleasure to write down this heartfelt message HPS has made many strides to keep up with the growing challenge of the modern world especially in the field of education. We do believe that communication builds up relationship therefore the need for instant communication between parents and the school in a priority in today's dynamic environment. I have an open door policy and urge all parent to take this opportunity to discuss any views with me so that we can move forward together.

We will continue to develop a school that:-

1. Focuses on the development of the whole child.
2. Strives for the highest academic standards.
3. Has a personalized curriculum for each child.
4. Develop true partnership that value each child.

A special note of thanks to all the teaching and non-teaching staff, parents, Alumni well wishes and my dear student for your Co-operation, hard work and unflinching enthusiasm as well as your constant and continuous support at all levels.

ABOUT HPS

Hindu Public School Chaudharywas, Hisar is an English Medium, Day cum Residential School for Boys & Girls, for classes Nursery to XII, affiliated to the Central Board of Secondary Education, New Delhi. The School boasts of very good academic and sports standards by producing praiseworthy academic and sports results. The school is spread over an area on 7 acres of land on NH-52, Hisar to Rajgarh Road, 15 KM from district headquarter. It has an idyllic and serene school campus and lush green beautiful landscape.

The school produces individuals with a global outlook. It has emerged as a premier institute for quality education and sports not only in Haryana but at National level too. The students are given admission without the discrimination of color, caste and creed. Learning to live and work together in such a diverse community can be a powerful experience for young angels and one that can help to promote open-mindedness and understanding. Committed to excellence we seek to educate our students to be responsible, productive and creative citizens of the world and cultivate in them, the skills to think globally reason critically and communicate effectively.

We provide an environment that is interesting to explore, child safe and is filled with joy. We respond to child's emotional and intellectual needs as we understand that the child's capacity to learn and thrive totally depends on the interplay between nature and nurture (affection, care and stimulation).

The purpose of education here is to impart skills in one hand and to impart wisdom on the other, so that tranquility could be established between science and sensibility as skills without wisdom may prove to be destructive.

VISION, MISSION & VALUES

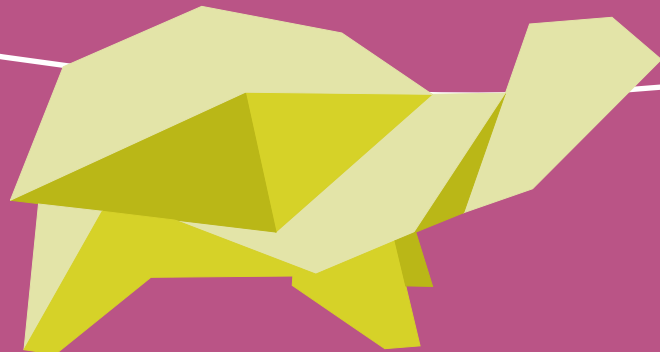

Vision

We will help our students reach high levels of Achievement. Our vision is to prepare each student for a successful future as a lifelong learner.

To do this, we will:

Create places to learn and work where staff and students are happy recognized and fulfilled.

- ||→ Engage all students and staff to achieve the high expectations of the peel Board.
- ||→ Offer all students a range of learning programs to help them discover their passion and potential.
- ||→ Be a leader in the use of technology to encourage creative and innovative learning.
- ||→ Provide equity of access and opportunity for students and staff to learn, work and succeed.
- ||→ Openly communicate as we welcome the involvement of all parents, staff and students in the diverse communities we serve.

Mission

We inspire success, confidence and hope in each student

For it we create a challenging learning environment that encourages high expectations for success through development-appropriate instruction that allows for individual differences and learning styles. Our school promotes a safe, orderly, caring, and supportive environment. Each student's self-esteem is fostered by positive relationships with students and staff. We strive to have our parents, teachers, and community members actively involved in our students' learning.

Values

Our values, based on our character attributes, are the foundation of our genuine relationship with students, parents and each other, we create safe, positive climates for learning and working-environments that prepare students to be empathetic citizens of the world.

- ||→ We **care** by being compassionate and kind towards all members of our community.
- ||→ We are **cooperative**-committed to working collaboratively and valuing the contributions of others for a common purpose.
- ||→ We value **honesty** by demonstrating integrity in our words and action. We are truthful and trust worthy.
- ||→ We respect differences and treat everyone fairly and equitably- we are **inclusive**.
- ||→ By treating others, ourselves and our environment with high regard and value, we are **respectful**.
- ||→ Being accountable and reliable in our actions and commitments demonstrates we are **responsible**.

ACADEMICS

Learning through Experience

Instead of teacher-led delivery of knowledge, the teachers and the students at HPS cohesively Build up knowledge so that no student feels ignored. This is rigorously supported by varied field experiences and carefully designed project work through integrated learning. This enables the learner to gain an unforgettable experience of fun, joy and enduring learning and also to put to test the acquired knowledge.

Creating Responsible Citizenship in a Student

The learning processes at HPS are most distinctive and leaving an endearing effect on a learner. Our teaching-learning methods are so effective that they make the students self-directed, lifelong learners and good human beings. They are encouraged to excel academically and to grow up into responsible citizens with a strong sense of judging right or wrong.

Co-Education

Co-Education provides an excellent scope of growth in a congenial ambience and gives a sense of competition in the students to excel in all fields. It gives them opportunities to remove the fences of shyness and help them to be bolder for their future venture after the schooling. At HPS, we provide co-education from nursery to 12th. Separate well-furnished boys and girls' hostels have been provided under the supervision of separate Male and Female Hostel Wardens.

Special Coaching

The real objective of HPS is to produce the successful future citizens for the global world. Hence, HPSians are regularly trained to face the competitive exams –IITJEE, AIPMT, AIEEE, NDA & challenges of 21st century by providing them exposure in different exams like NTSE, CBSE Olympiad, KYPY, NAO, SOF etc.

The institute is creating equal opportunities to the students without needing them to move to other cities in search of quality coaching. Regular coaching is being integrated now with the regular studies, for Classes XI & XII to make the students more competitive and confident to achieve success in the ever-expanding competitive world.

HPS

Lets Your Child Grow With Us...

CO-CURRICULAR ACTIVITIES

Education for us is holistic growth (intellectual, physical, and social, spiritual, emotional) of our children. The School's curriculum has been designed to develop leadership, spirit of adventure, inquisitiveness, self-reliance & self-esteem. Students are encouraged to pursue their area of interest by joining various Societies and Clubs.

There is a wide range of hobbies and activities to choose. The various clubs which collectively inculcate the goodness & skills of 4-H (Head, Heart, Hand & Health) are as follows:

Eco, Health, Wellness, Heritage, Literary, Yoga, Cultural Performing Art (Music & Dance) and Visual Art

KIDS ZONE

“Our little-angles are always ahead in every field. Many types of competitions are held in the school premises for all over development of children. Children also participate in these competitions with great zeal & enthusiasm and show their talents and potential. Different competitions like healthy tiffin, fill the color, vegetable stamps, candle & diya decoration etc. are held in school premises. Students are taught with play way method. A toy room, ball room always remain the center of attraction for tiny- tot's.”

SCIENCE LABS

“The school has capacious, ultra-modern well equipped Biology, Physics and Chemistry labs for inquisitive minds. The labs with modern amenities and quality specimens and models open up a new world to explore the dynamism of learning, preparing the students solve the myriad mysteries of Science.”

COMPUTER LAB

Computer education has become a necessity in the modern times, to keep in pace with globalization, so it is the fore most responsibility of the school to spread computer literacy.

The school computer lab with 30 computers for the primary, Middle, & Senior Sections introduce the generations to newest technology and enable the staff and students become computer savvy.

ENRICHED LIBRARY

To inspire the students to acquire additional knowledge and to develop in them a taste for reading, Hindu Public School has a well-equipped library with over 10,000 titles on a variety of subjects such as literature, social science, humanities, business, science and technology etc. The Reading Room provides access to latest periodicals, journals and magazines besides the daily newspapers to keep students and faculty

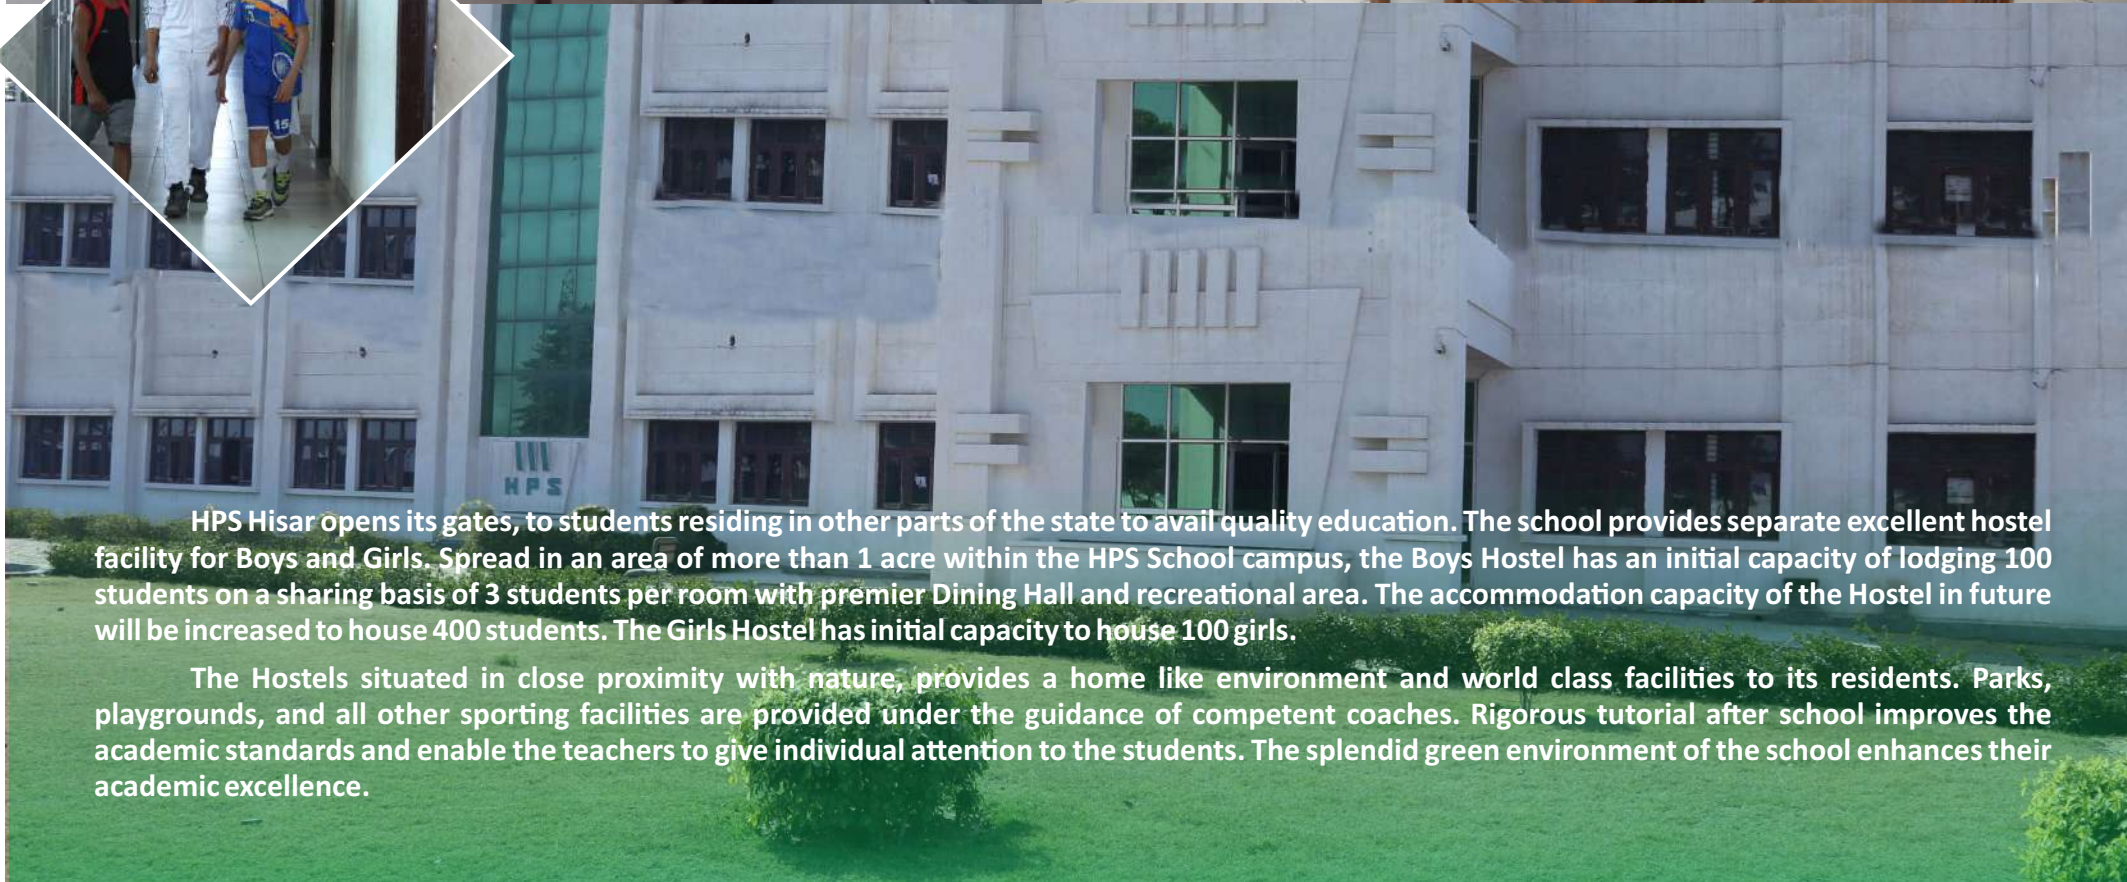

Tours, Picnics & Excursions

Education at HPS is not confined up to the four walls of the classrooms. We regularly organize Tours, Picnics & Excursions as we believe they play a vital role in developing and broadening child's outlook. It helps in experiential learning and enables a child to think beyond the narrow walls of caste, creed, state and community. It enables him/her to look at the world in a more human way.

Boarding Facilities

HPS Hisar opens its gates, to students residing in other parts of the state to avail quality education. The school provides separate excellent hostel facility for Boys and Girls. Spread in an area of more than 1 acre within the HPS School campus, the Boys Hostel has an initial capacity of lodging 100 students on a sharing basis of 3 students per room with premier Dining Hall and recreational area. The accommodation capacity of the Hostel in future will be increased to house 400 students. The Girls Hostel has initial capacity to house 100 girls.

The Hostels situated in close proximity with nature, provides a home like environment and world class facilities to its residents. Parks, playgrounds, and all other sporting facilities are provided under the guidance of competent coaches. Rigorous tutorial after school improves the academic standards and enable the teachers to give individual attention to the students. The splendid green environment of the school enhances their academic excellence.

Safe Transport

A fleet of 14 buses covers almost all nearby Villages, Hisar & Siwani cities and carry students and staff to and from the schools almost on all trunk and feeder routs in a radius of about 40 km around the school. The fleet connects around 50 places with the school. All the buses are road worthy and are well equipped with all safety gadgets like Fire Extinguishers, Medical kit, Speed governors and GPS. Road safety is the top most priority of the Transport Department setup at school.

Mahavir Phogat inaugurates own wrestling nursery in Hissar

Chaudhary was (Hissar): Not satisfied with the environment being given to Haryana sportsmen preparing for Olympics medals, Amir Khan starer 'Dangal' film famed Mahavir Phogat on Sunday inaugurated his own nursery at HPS School in Chaudhary was village of Hissar district.

had written to the state government and private institutions to provide land and infrastructure for a wrestling academy, but did not receive any response in last long time.

Veteran coach said that the decision to start own academy struck his mind post 'Dangal' film success, people in Haryana and outside urged him to train their children in contact sports.

Ajay Chahar, director of HPS School said that there will be experienced coaches for the selected players during selection process which started on Sunday.

Initially, the academy would have an intake of 60 boys and girls each who would have in-house accommodation facilities here at reasonable expenses.

'Mahavir Phogat himself has committed to spend lots of his time preparing for players for wrestling and would remain available for them under hard regime.'

Elaborating the reasons, he said that the agrarian state has a history of wrestling and kabaddi sports but it failed to produce many Olympic medals due to the lack of commitment and right guidance at the correct time to the players preparing for the game.

Dronacharya awardee Phogat said that the union sports minister Vijay Goind has a meeting with coaches asked them to prepare players good to the country can win Olympic medals due to paucity of facilities.
